## ***From the Headmaster***

Stephen Hazley

Dear Parents,

This morning we had a visit from Jonathan Shapiro who gave our grade 7 students an entertaining yet informative talk on South African politics over the past 30 years. Our students and staff enjoyed his visual diary of past and current events and had the opportunity to get a copy of his new book and some autographs.

We have also had the travelling book shop visit our school over the past two days and again I just want to urge parents to find a genre that your child will like and continually encourage them to read.

Our U13 Cricket players are enjoying their tour in Cape Town, they had a great game against Sun Valley yesterday but narrowly lost. Today they are up against Reddam Constantia – Best wishes!

With only three weeks before final exams start, students should be fully committed to revising their work and practicing questions. We also wish our Matrics all the best for their exams which started this week.

**Please note that 2019 registration packs will be emailed within the next few weeks. Please ensure that these forms are completed comprehensively particularly the detail requested on the medical forms as this information could be crucial in an emergency.**

Have a wonderful weekend.

## FOCUS ON MINI COUNCIL

Our future Mini Councilors attended a Leadership Dinner during which they were introduced to the many portfolios that are carried out by the Johannesburg Mini Council.

Lex Pilling, Kent Allan, Riley Owens, Alyssa Powell, Shayna Burg and Arya Dilsook are our finalists for these positions for 2019. The successful candidates will be announced next week.

Here they are seen with our current Councillors, Isabella Grippa and Matthew Riberio.

## FOCUS ON THE TRAVELLING BOOKSTORE

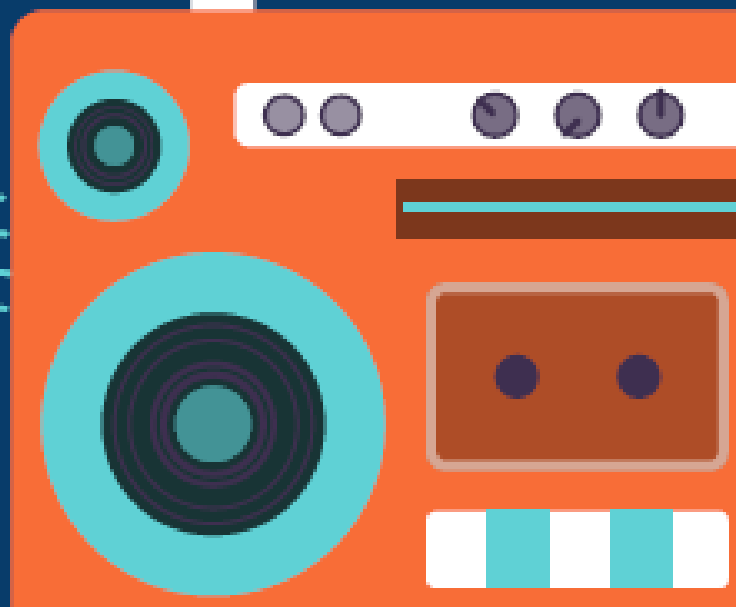

The traveling bookstore visited Reddam on Thursday and Friday. How good to see the excitement as pupils found books to which they could relate. Thank you to our parents for their support. "Happy reading" everyone.
