From the Headmaster

Stephen Hazley

Dear Parents and Students,

We held our annual teachers assembly on Thursday in which our staff go out on a limb to have some fun, sing, dance and entertain our students. The idea behind this is not to show off the many talents our staff have but to rather ensure that every student feels they are able to do the same. Thank you to all the staff for being such good sports.

The assembly was the last bit of fun for the matrics before they

started their prelim examinations this morning, good luck.

This weekend is another busy one with our Culture in the Park family day. It will be a day filled with fun, food and entertainment and run by our grade 10 students. The day will take place between 10h00 to 14h00. Please bring your picnic blankets and enjoy music from our own students as well as from The Muses.

The entrance costs are as follows:

R50 per Car and R50 for a wrist band for the entertainment area, all proceeds will go to charity.

Have a great weekend.
